RENEWED PETITION UNDER 37 C.F.R. §1.181(a)
FOR WITHDRAWAL OF HOLDING OF ABANDONMENT

Director of the U.S. Patent and Trademark Office
Washington, D.C. 20231

Sir:

This is in response to the Decision on Petition mailed by the Patent Office on July 5, 2002 for the above-identified application. On April 24, 2002 Applicants filed a Petition to Withdraw the Holding of Abandonment in response to the Notice of Abandonment which was mailed on April 11, 2002. The July 5 Decision on Petition dismissed Applicants' Petition. Applicants respectfully request that the Patent Office reconsider its decision, which is based on an incorrect understanding of the facts associated with this application.

As stated in Applicants' April 24 Petition, in response to the Notice of Allowance dated September 25, 2001, Applicants filed a Request for Continued Examination (RCE) and an Information Disclosure Statement (IDS) on December 17, 2001, well prior to the December 25 due date for paying the Issue Fee. The July 5 Decision on Petition appears to completely overlook these facts, which were pointed out in Applicants' Petition. In addition, Applicants' Petition enclosed copies of the December 17 RCE and IDS, as well as the PTO-date-stamped receipt acknowledging that these documents were filed with the Patent Office on December 17. Another copy of these documents are attached hereto. Furthermore,

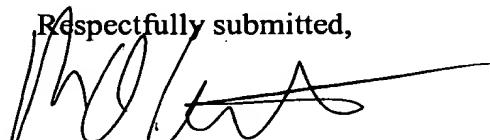

the PTO PAIR system clearly shows that these documents were received by the Patent Office on December 17 (see items 33-36 of the attached PAIR printout).

Thus, while the Decision on Petition correctly states that the September 25, 2001 Notice of Allowance was issued in response to an RCE and IDS (and an Amendment) filed on June 13, 2001 (in response to a previous Notice of Allowance), the Decision completely overlooks the fact that Applicants filed another RCE and another IDS in response to the September 25 Notice of Allowance.

Accordingly, Applicants respectfully request that: (1) Applicants' April 24, 2002 Petition be granted, (2) the April 11, 2002 Notice of Abandonment be withdrawn, and (3) the December 17, 2001 RCE and IDS be properly entered and considered by the Examiner.

Although it is believed that no fees are necessary for this Petition (see, for example, MPEP 711.03(c)I), the Director is hereby authorized to charge Deposit Account No. 15-0461 for any fees deemed necessary.

The appropriate Patent Office official is invited to contact Applicants' undersigned attorney at the telephone number listed below if there are any questions, or if anything further is desired by the Patent Office in order to grant this Petition.

Respectfully submitted,

Mario A. Costantino
